

SUITS THAT CAN LOOK YOU IN THE FACE

No cotton, no shoddy, no poor tailoring, no sweat-shop work—but all-wool, silk sewed clothing—made in clean, airy, light work shops by tailors who know how to stitch and “knead” a Suit into a shape that will stay.

Patterns that are often rich—but not “flashy.” The fit is the wonder of men who have never tried “ready-to-wear” before. The new fall styles in single and double breasted cuts are ready.

There's an Edge to Our Suits

They're full of life—they're different. New styles right off the gridiron. You will find our \$10, \$12 and \$15 lines especially attractive. Look today—buy any day.
